LR 14, 20, 37, 47, 49,  
50  
LB 446

I have an announcement from the Speaker regarding the referral of LRs 37 and 49 to the Reference Committee for purposes of referring to a standing committee for public hearing.

And, Mr. President, I have an Attorney General's opinion addressed to Senator Wiitala regarding LB 446.

Mr. President, a new resolution, LR 50 (read). That will be laid over, Mr. President.

Mr. President, your committee on Constitutional Revision and Recreation whose Chairman is Senator Labedz to whom was referred LR 20 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File; and LR 14 indefinitely postponed, both signed by Senator Labedz as Chair.

SPEAKER NICHOL: We will move on to resolution #47.

CLERK: Mr. President, LR 47 found on page 1012 of the Journal. (Read.)

SPEAKER NICHOL: Senator Vickers.

SENATOR VICKERS: Mr. President and members, this resolution would honor as the Clerk has just read to you the women's track team at the University of Nebraska for the fact that they have just recently won a national championship in the indoor track and field competition at the NCAA national meet. I think this is the third national championship in a row that the women's track team at the University of Nebraska has won and I believe that that ability to win national championships, even though it might be considered by some to be a somewhat minor sport, needs to be recognized by this Legislature just as much as it would be if it was one of the more major sports winning a national championship. As I also, I am sure that most of you are aware, I recognize the amount of effort and time and energy expended by these young athletes in the endeavors that they are pursuing with the program because of the fact that my daughter ran track up here at the University of Nebraska a few years ago and, therefore, I personally would like to applaud these young women for the hard work and the long hours that they put in and bringing this recognition to the State of Nebraska, so with that, Mr. President, I would urge the adoption of this resolution.

SPEAKER NICHOL: You have heard the explanation of the resolution. All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.
